ORDERING YOUR *Stationery*

HERE'S A SUGGESTED TIMELINE FOR ORDERING BOTH PRE-WEDDING AND ON-THE-DAY WEDDING STATIONERY:

Seating Plan: This will allow you time to finalise the guest seating arrangements and create the necessary displays.

2-3 Months Before the Wedding:

Ceremony Programs: This will give you enough time to finalise the ceremony details and have the programs printed.

6-8 Weeks Before the Wedding:

Menus: This will give you time to finalise the menu and design the layout of the menus.

4-6 Weeks Before the Wedding:

Place Names: Ensure you have the final guest list to avoid any last-minute changes.

3-4 Weeks Before the Wedding:

Itinerary Board: This will give you enough time to gather all the necessary information and have it designed and printed.

OUR *customers*

"The quality of our invitations was exceptional, they are beautiful and the care Gee took was second to none! They were packaged beautifully and we are so happy with them! Gee is very proactive and quick to reply to your messages and nothing is a bother! She even mocked a few samples up for us to see which ones we liked! I would 100% recommend using URURA Moments and I would 100% use them again! If you are a bride or a groom who hasn't ordered wedding invitations before it is so confusing and there's so much to choose from but Gee was so helpful and made it so easy! Thank you so much!"

Becky

"Well what can I say, URURA Moments are amazing and so incredibly kind - 2 weeks before my wedding when I was under so much stress, Gee designed and pulled off this order for me so quickly and my god they're amazing!! Such perfect quality and a wonderful edition to our wedding! Thank you for everything."

Sophie

"Gee was fantastic! Excellent communication and very accommodating for our last-minute needs! Our name cards arrived quickly and are beautiful! Highly recommend."
